HOW TO EARN MONEY

20 Ways to Make Money From Internet

Clean Methods of Making Money Online

Wondering how to earn money online? There are plenty of options for utilizing your skills and making money from Internet.

BEST WAYS TO EARN MONEY FROM INTERNET

Earn Money By Blogging

Blogging is a nice way to make free money

If you have only little time, you can
also

Find Small Micro Jobs Online

There are a number of good and free blog sites

1. setup your blog
2. write about things that really interest you
3. put online ads on it

You can use Google AdSense
for getting ads or you can use ads service
provided by other networks like
Yahoo!Media.net. WordPress.com also
provides its own ads.

To create a money making blog, I would recommend that you invest in the following tools.

- **Genesis framework** (it makes WordPress even more powerful)
- **DreamHost hosting** (reliable host is a must!)
- **Grammarly** (#1 writing tool)
- **ShareASale** (great affiliates to join)

By the way, did you know that Google makes 95% of its revenue from advertisement ?

Skills required for professional blogging :

- Good command on language
- ability to write in an interesting way
- familiarity with basic coding
- other technical stuff

How much money can you earn from blogging?

- ❖ one thousand visitors per day (can from \$0.5 to \$30 per day)
- ❖ Bloggers in US, UK and Canada make millions of dollars from their blogs.

How much money can you earn from AdSense?

- Many successful bloggers and webmasters earn \$100 to \$500 per day with Google AdSense.
- Some bloggers in USA earn several thousand dollars every day from AdSense.

BEST WAYS TO EARN MONEY FROM INTERNET

2

Earn Money by Designing Themes

Design themes for platforms like WordPress and Blogger.

- All websites and blogs require a “theme”(also called template or skin)
- You can also become a theme designer if you have good sense of design and other required skills

Once a theme is done

- sell it on theme stores like Genesis framework
- setup your own website through which people can buy your themes.
- Designing themes for platforms like **WordPress, Blogger, Joomla, Drupal** etc.

Skills required:

- Web design sense ,CSS,HTML,JAVA SCRIPT
- PHOTOSHOP
- Knowledge target platform

How much money can you earn from designing themes?

- ❖ Usually, one copy of a theme sells anywhere between \$10 to \$100.
- ❖ if you sell just one hundred copies, you may make thousands of dollars.
- ❖ If you design a customized theme for a specific client, you can charge even more depending on the efforts you had to put in

BEST WAYS TO EARN MONEY FROM INTERNET

3

Earn Money by Teaching Online

You can impart knowledge and be a teacher on Internet

- Yes! you can be an online teacher.
- the great thing about it is that you can teach virtually anything
- whatever is your skill and expertise
- offer lessons to perspective students

SkillsShare is one such service which allows you to be an online teacher.

- Register on it
- create courses (classes) on whatever subject you know
- from cooking to mathematics to engineering to designing to languages to whatever!
- There is another similar service called **Udemy**

Skills required:

- expertise in subject on which you're offering course

How much can you earn from YouTube?

- ❖ has a million subscribers → you can earn from \$100,000 to \$300,000 per month.
- ❖ Mostly it depends on how interesting your videos are.
- ❖ Secondly, it depends on the how many people have subscribed to your YouTube channel
- ❖ This is the minimum. No one really knows the exact amount but many sources say that they could actually be touching one million dollars every year.
- ❖ Earning huge money from YouTube sounds great. But it requires a lot of appeal, creativity and hard work.

BEST WAYS TO EARN MONEY FROM INTERNET

7

Earn Money Online by Becoming a Translator

Lots of translation jobs are available online for language experts

- ❖ If you know any two languages very well, there are plenty of translation jobs available online.
- ❖ And they pay well.
- ❖ make good money from online work of translation.

[Translatorsbase.com](https://www.translatorsbase.com) is perhaps the best website I know where you can regularly get online translation work.

You will need to bid for every piece of work
if you win the bid, work is yours to do and the client pays you
through the website.

You can do translation work on your computer and submit the
finished work through [Translatorsbase](https://www.translatorsbase.com).
