Affiliate Income is a Great Way to Earn Money

Affiliate Marketing is a great way to earn money from your blog or website

- If you have a successful blog or website
 - get affiliated with other vendors
 - show their ads on your website
- If a customer sees an advert on your website
- and through that purchases an item from vendor's online store
 - you get a commission from the sale amount

Affiliate advertisement is different from Google AdSense.

- You get paid from AdSense on clicks (cost per click or CPC model)
- affiliate ads, you get paid only when customer really purchases the product through an advertisement on your website.

ShareASale is one of the best place to find affiliate advertisements

another good place to find affiliate ad opportunities [Commission Junction\(CJ\)](#)

It is a website where you can get affiliate offers from a large number of brands and vendors

- ❖ Companies like Amazon, eBay, Flipkart also run their separate affiliate programs
- ❖ You can use them too

I would recommend that you select an affiliate product which is relevant to the content of your own website.

For example, if you have a blog on books, you can show affiliate ads from Amazon showcasing only books.
