Sell Photos Online

Photographers can sell their work through various websites

- Do you love photography?
- Do you click good enough photos?
- Well, if yes, you can find a buyer on websites like
 - [iStockPhoto](#) and [CreativeMarket](#)
- Don't think that your photos are not good enough.
 - ✓ Give it a try —and you may be in for a surprise!
- Folks out there need all sorts of photos for publishing online and in print.
 - So, number and variety of photos required is never enough.
 - Go ahead and be a professional photographer!

➤ And, by the way, if you look great... you can even sell your *selfies*.

Sell Website, Domain Name or Mobile Apps

- If you own a domain name or a website (even a defunct one!) or a mobile app... and you want to sell it off,
 - visit Flippa or Sedo or GoDaddy Auctions
 - set a base price for what you're selling and then perspective buyers bid in an auction format
 - Such a model maximizes your earning from selling domain name or website or mobile app

A word of advice here

- do not get into full-time blogging from the beginning
- Professional blogging is a tough nut to crack
- it takes quite a bit of time before you will be able to earn enough money from blogging alone.
- Begin as a **part-time blogger** and then later on switch to **full-time**.

Earn Money by Becoming a Website Tester

- UserTesting is a place where crowd tests websites.
- **Webmasters** and **e-commerce** companies hire people like you to surf their newly built or renovated website.
- You surf the website and provide them with the feedback And you get paid
- Easy, isn't it? Well, yes, it is one of the easier online jobs.

- But again, **you need to take it seriously.**
- The more useful feedback you can provide to the website owner, the more jobs you'll be able to find in future.

Fill Survey Forms to Earn Money Online

Responding to online surveys are a good way to make quick bucks.

- Some of the good online survey websites are The Opinion Panel, [OnePoll](#), [Toluna](#), [MySurvey](#), [Vivatic](#), [YouGov](#) and [SurveyBods](#).
- You can go and register on these websites.
- After registration, these websites will keep on sending you surveys.
- You need to fill them up and get your rewards.

- How do you get paid for filling online surveys?
- Well, most of these websites offer you vouchers of popular online stores.
- You can redeem these vouchers and buy anything of your liking from these stores.
- Some websites also pay you in cash via PayPal.

- ✓ You should fill these surveys with honesty.
- ✓ Don't take these polls just as a money making exercise.
- ✓ Read all the questions carefully and then enter your [frank opinion](#).

How much can you earn from online surveys?

- ❖ Usually you can earn to the tunes of \$2 per survey.
- ❖ Filling online surveys does not pay handsome money
 - it is just good for earning some extra bucks
- ❖ Companies involved in online surveys pay very little amounts and in many cases they don't pay cash.
- ❖ When you will open an account and fill surveys, these companies will award you points.
- ❖ When you earn a certain number of reward points, you can get an equivalent gift (and sometimes cash).
